Everest Powerful mint gum is as advertised. The gum contains a very powerful mint flavor using peppermint oil and wintergreen oil (depending on whether you buy the peppermint or wintergreen variants). The mint flavor is a little strange and is not your typical mint flavor gum you would expect to taste from other gums. The mint flavor is very strong and does not loose flavor very quickly.

The Everest Powerful MINT GUM is a very strong mint gum that is perfect for those who love a strong mint flavor. The gum is made with natural ingredients and is very refreshing. It is also very durable and can last for a long time. The Everest Powerful MINT GUM is a great choice for those who want a strong mint flavor.
